

# OCCUPATIONAL HEALTH & SAFETY POLICY STATEMENT

CleanNet Australia Occupational Health, Safety Policy is based on a belief that the well-being of our people employed at work, or those people who affected by our work, is a major priority to our Company, and must be considered during all work performed on our behalf.

People are our most important asset and their health and safety is our greatest responsibility. The public will also be given equal consideration & priority to that of our employees.

## Our Safety Objectives are:

- *To achieve an accident free workplace.*
- *To comply with all state and federal statutes and regulations relating to Occupational Health & safety, and in accordance with AS /NZS 4801:2004*
- *To make health & safety an integral part of every managerial and supervisory position.*
- *To ensure health & safety is considered in all planning and work activities.*
- *To involve our employees in the decision making processes through regular communication, consultation and training.*
- *To provide a continuous program of education and learning and improvement to ensure that our employees work in the safest possible manner.*
- *To identify and control all potential hazards in the workplace through hazard identification and risk analysis.*
- *To ensure all potential accident/incidents are controlled and prevented.*
- *To provide effective injury management and rehabilitation for all employees.*

## Our success is dependent on:

1. *Pro-active planning of all work activities with due consideration given to implementing OH&S controls that are suitable to each given situation.*
2. *Understanding the total work process and associated OH&S risks.*
3. *Ensuring the work team is totally committed to achieving our objectives.*
4. *Ensuring that open and honest communication exists between management and all employees.*
