

CleanNet Australia Company Introduction

**Est
2001**

CleanNet Australia
is a privately
owned & operated
Australian
Company
established in
2001

We have over 15
years experience in
commercial
cleaning

300+

We **directly**
employ over
300 cleaning
staff

CleanNet Australia
has a proven track
record of
consistently
delivering high
standards of
service.

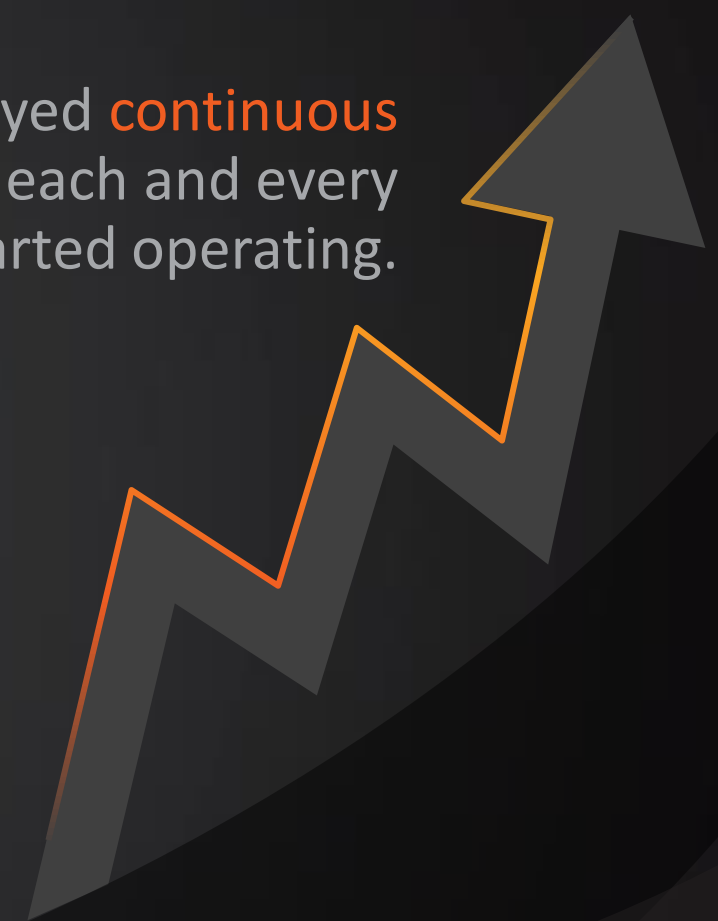

CleanNet Australia
Experience the Difference

We currently operate
throughout the
eastern seaboard

We have enjoyed **continuous
organic growth** each and every
year since we started operating.

Key strengths

== The difference is in the detail.

We are driven to provide you a level of service that **exceeds** expectations.

We manage our people by providing them on-going support, direction, training and by open communication on our regular site visits.

We take care of our people by paying them their full entitlements under the Cleaning Services Award.
We do not subcontract.

We do not deploy tired, hand-me-down equipment to any of our sites

Sustainability
